

BricsNetwork Prop Firm Terms and Conditions

1. Introduction

1.1 Welcome to BricsNetwork Prop Firm. These Terms and Conditions govern the relationship between BricsNetwork

(the "Company") and its clients (the "Traders").

1.2 By registering and participating in BricsNetwork programs, you agree to these Terms and Conditions.

1.3 BricsNetwork reserves the right to modify these Terms at any time. Updates will be communicated via the website.

2. Program Overview

2.1 Instant Funding

Traders receive funding with no evaluation phase, subject to the provided drawdown limits.

2.2 Fixed Drawdown Limits

The Company imposes fixed drawdown limits to ensure responsible trading and capital protection.

2.3 Free Resets

Traders are eligible for unlimited free resets if they breach drawdown rules. Resets are granted after

12 calendar days

from the breach date.

3. Trader Responsibilities

3.1 Account Usage

The funded account must be used solely for personal trading purposes.

3.2 Compliance

Traders must adhere to all applicable trading regulations, BricsNetwork policies, and ethical

practices.

3.3 Prohibited Activities

- Trading outside permissible hours (if specified).
- Engaging in fraudulent or manipulative trading strategies.

4. Fees and Payments

4.1 Account Registration Fees

Registration fees are non-refundable and are used to administer the program.

4.2 Profit Sharing

Traders retain [X]% of profits generated, while BricsNetwork retains [Y]% as agreed.

4.3 Payment Terms

Profit payouts are processed within 7 business days of a request.

5. Breach of Terms

5.1 Violation of Rules

Traders who violate trading rules or terms will lose access to their funded accounts and must wait for reset eligibility.

5.2 Termination

BricsNetwork reserves the right to terminate accounts for misconduct or repeated violations.

6. Dispute Resolution

6.1 Disputes arising between BricsNetwork and traders will be resolved through mediation before legal proceedings.

7. Liability Disclaimer

BricsNetwork is not liable for losses incurred by traders. Trading is inherently risky, and past performance does not

guarantee future results.

8. Governing Law

These Terms are governed by the laws of [Country/Region].
